Let e.Allen be your one stop shop for the ladies on your holiday shopping list. Our hospitality can be extended through our e.box delivery service, closet detail, or simply helping you pull a perfect gift together catered to the individual that needs it. Kindly contact us via email or by calling any of our three e.Allen locations knowing that serving you is our pleasure! Let's make this holiday season the most fashionable one yet.

e.Allen gift wrap is the perfect way to have you more ready than ever for the holiday season. Setting up a styling session for you or a loved one can be a fabulous step in the right direction in getting your closet AND your style on the right track. While working 1-on-1 with one of our highly trained and original stylists, multiple looks can be achieved and confidence produced in knowing how to wear what's in one's closet and identifying key essentials. Let's set aside a time that works to give the gift of perfect, on-site style.

We also are thrilled to introduce a new gift option to this year's standard gift guide. Virtual styling sessions are another avenue e.Allen is now offering. Bring us into your home and enjoy an intimate setting to discuss your wants and needs for your capsule wardrobe. Whatever your needs are, we are happy to meet them either in person or virtually!
